

# RALLI INTERNATIONAL SCHOOL

## INTRASCHOOL COMPETITIONS

Creativity is one of the superpowers that can help you become the best version of yourself and make the world a better place.

Every year the Annual Day celebrations form an integral part of every school's academic calendar. Keeping up with the tradition, the school held a virtual fest this time around too. This festival was designed with its own unique set of modalities.

The school celebrated its Annual Fest- 'Euphoria 2020' with great zeal and enthusiasm. Annual Fest is always looked forward to with utmost anticipation and excitement. It is an occasion that spreads joy and serves as a platform for students to exhibit their unique talents, proficiency and build their confidence. The event kindles the spirit of togetherness through which students showcase their talents despite the difficult times.

The event was celebrated on a virtual platform due to the pandemic restrictions. This year the Annual Fest was presented meticulously through spectacular performances by the students of pre-primary to grade XII.

**Success is the result of preparation, hard work and learning from failure.**

The program was followed by a spectacular display of students' self-recorded video performances in the form of a cultural program. The students unveiled an array of performances in the form of singing, dancing, instrumental, art, videography/ web designing/ makeup artist/ nail art, fancy dress, blitz to garnish, paper jewellery designing, flowers arrangement, mime, puppet making, role play, pottery making, Radio Jockey and many more.

This year, the Annual Fest was special as for the first time ever, we conducted something this big on a virtual mode that would be cherished by the audience and the participants for a longer period of time. The efforts were made to organise extracurricular initiatives as a tool to overcome the academic pressure and mental anxieties experienced by learners in the pandemic situation.
