

# RALLI INTERNATIONAL SCHOOL

**SESSION: 2022-2023**

**REPORT ON EXPERIENTIAL LEARNING ACTIVITIES**

APRIL & MAY

**EXPERIENTIAL LEARNING IS THE PROCESS OF LEARNING BY DOING. BY ENGAGING STUDENTS IN HANDS-ON EXPERIENCES AND REFLECTION, THEY ARE BETTER ABLE TO CONNECT THEORIES AND KNOWLEDGE LEARNED IN THE CLASSROOM TO REAL-WORLD SITUATIONS.**

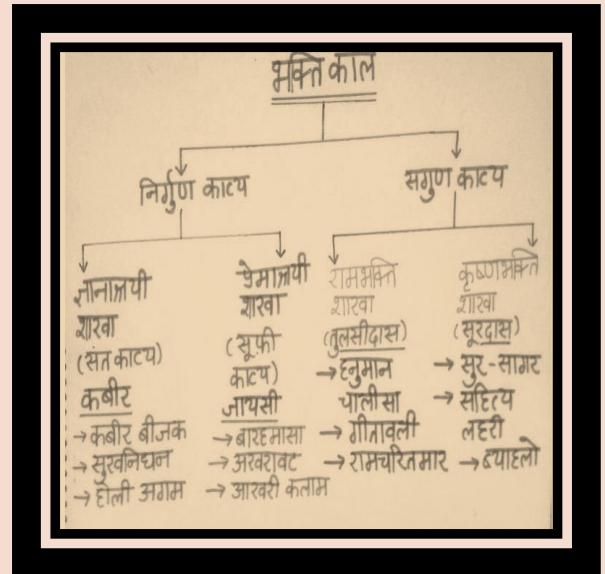

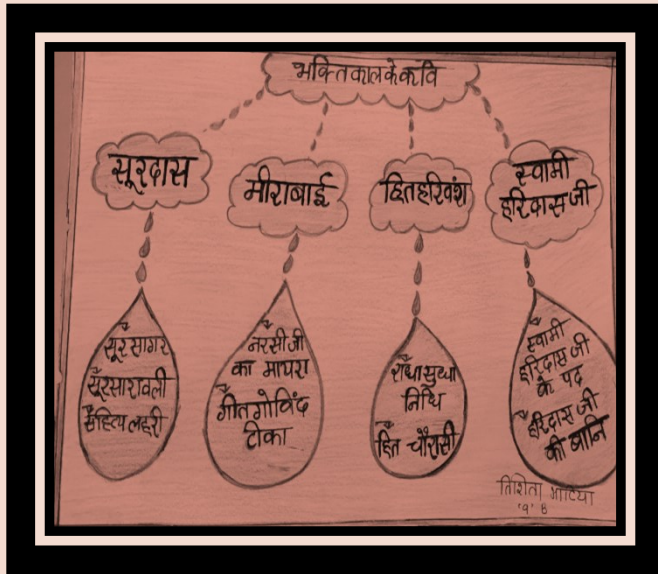

## CLASS- 9

The students of grade 9 were facilitated with the English-Speaking Activity- Debate, where the students in pair debated on the topic *Strict Parents Vs Friendly Parents*. The aim of this activity was to escalate their Communication and Oratory Skills.

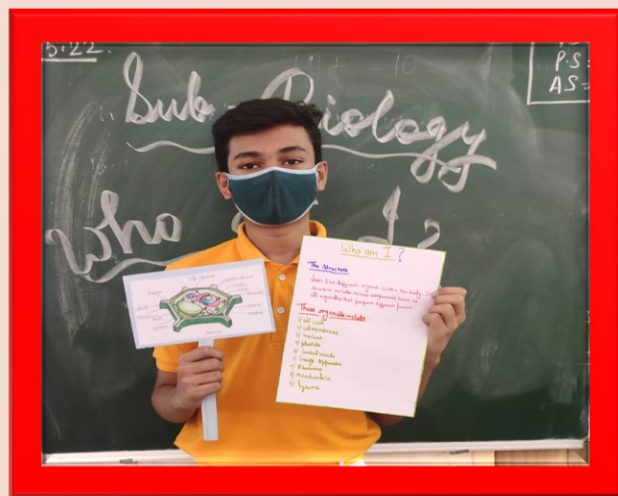

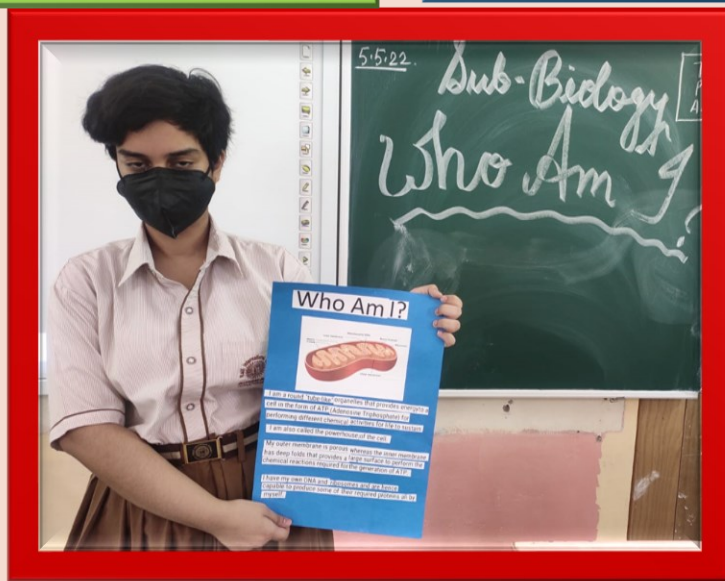

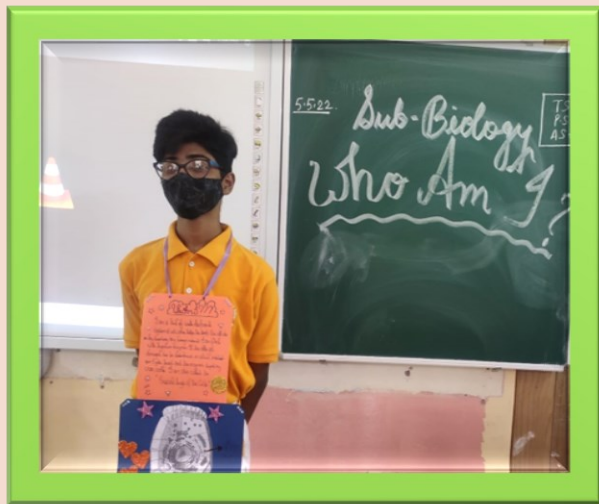

**अप्रैल माह** में भक्तिकाल की चारों शाखाओं के बारे में एवं उन शाखाओं के एक-एक प्रतिनिधि कवि के बारे में एवं उनकी रचनाओं से संबंधित फ्लो चार्ट A4 शीट पर बनवाया गया। सभी छात्रों ने कार्य व्यक्तिगत रूप से पूरे किए। विद्यार्थी भक्तिकाल की विभिन्न काव्य धाराओं एवं उनके प्रमुख कवियों के बारे में जानकारी प्राप्त कर सके।

**In Biology, the pupils performed an activity - WHO AM I? The students presented different organelle through flashcards/ placards/ posters and sketches and spoke on it. The other students then identified that particular organelle. This activity enhanced the recognition level of various organelle.**

In Social Science, students actively took part in *RIMUN'22 Selection Procedure*. The students experienced exhilarating sessions of Debate and Discussions on Heated Topics like Right to privacy in Digital Age. The day long sessions taught the students the art of political analysis and problem solving. Most importantly, the students learnt the finer nuances of conducting meaningful research and oratory skills.

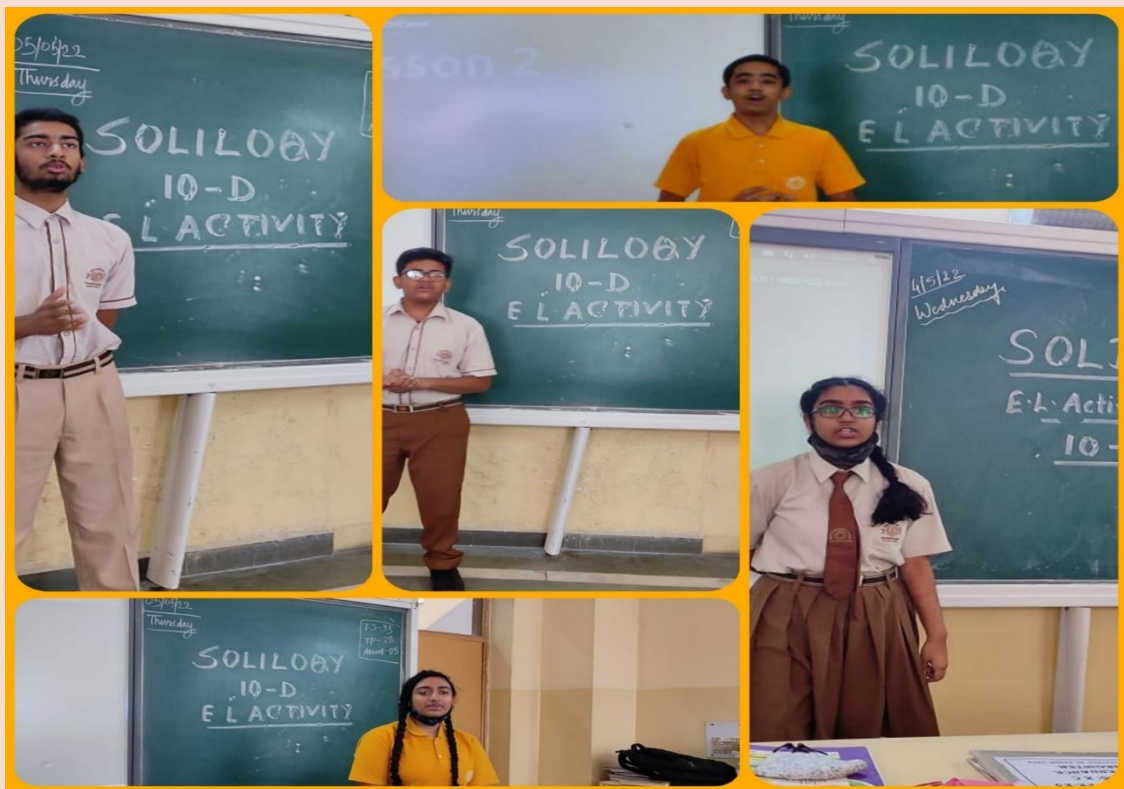

## CLASS- 10

*Soliloquy* activity in English was conducted in the classroom. The students expressed their views based on their experience or incidents where they have trusted God and felt that God has helped them. The students came up with wonderful and commendable vocabulary.

**अप्रैल माह** में **दोहा वाचन करवाया गया** । इस गतिविधि के आयोजन में उदाहरण स्वरुप कबीर, सूर, तुलसी, बिहारी आदि के दोहों से संबंधित जानकारी प्रदान की गई । प्रत्येक विद्यार्थी द्वारा कक्षा में दोहों का सस्वर वाचन किया गया। इस गतिविधि से विद्यार्थियों में विषय सामग्री एकत्र करने व संकलन करने की योग्यता का विकास विकास हो सका। वाचन-कौशल एवं शुद्ध उच्चारण का ज्ञान तथा आत्मविश्वास जागृत हो सका। विभिन्न कवियों के दोहों के विषय में जानकारी प्राप्त हो सकी।

*Poster Presentation in Biology was done by the students on the Topic- Human Heart, Double Circulation, Digestive System. Students had a better understanding of the topic and were able to understand the structure and functioning of heart. They were able to understand the flow of blood from heart to different parts and back to the heart. The posters were made and presented by the students in a very beautiful manner.*

***LEARNING IS CREATION, NOT CONSUMPTION. KNOWLEDGE IS NOT SOMETHING A LEARNER ABSORBS BUT SOMETHING A LEARNER CREATES.***

**RIMUN'22 Selection Procedure was also conducted in class 10. The students mastered sessions of Debate and Discussions on Heated Topics like Right to privacy in Digital Age. The students learnt how to do research and enriched their oratory skills.**

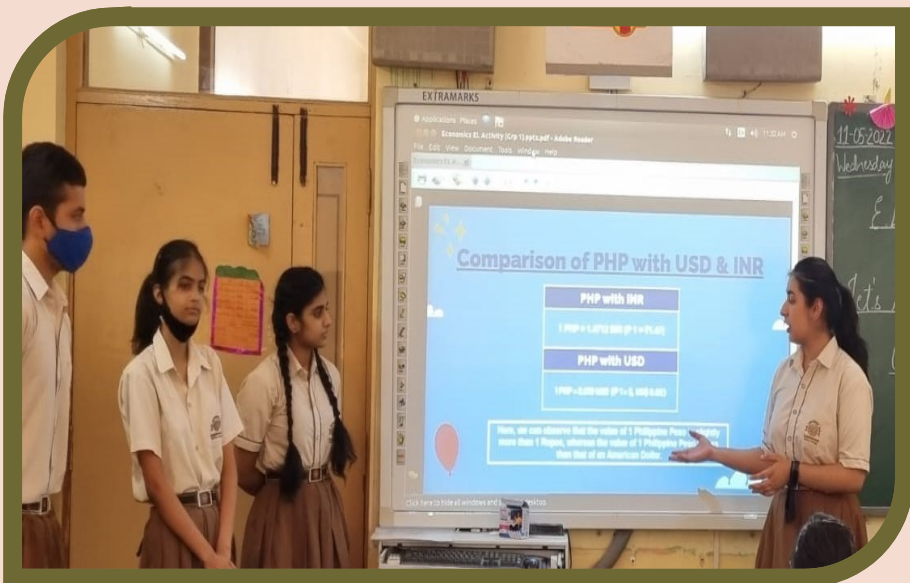

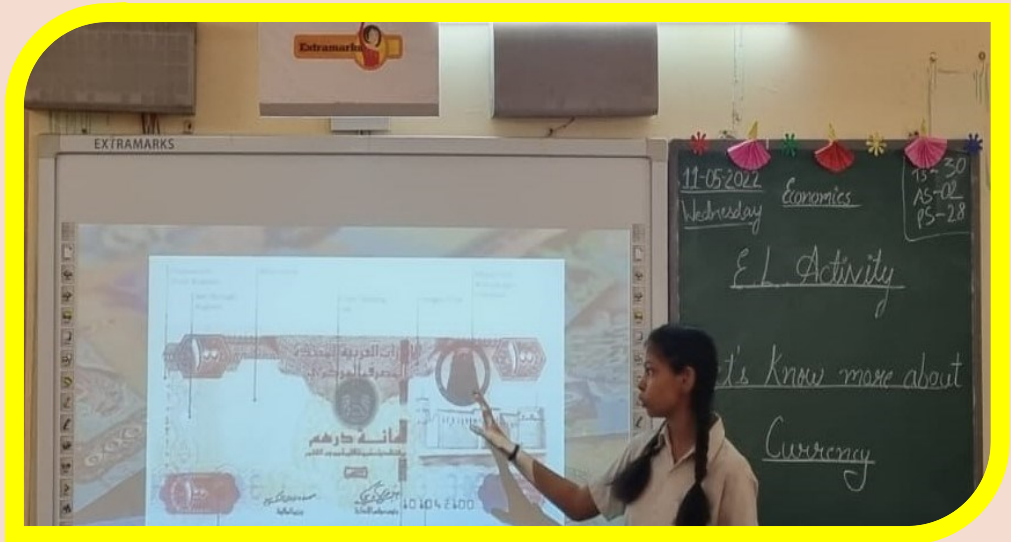

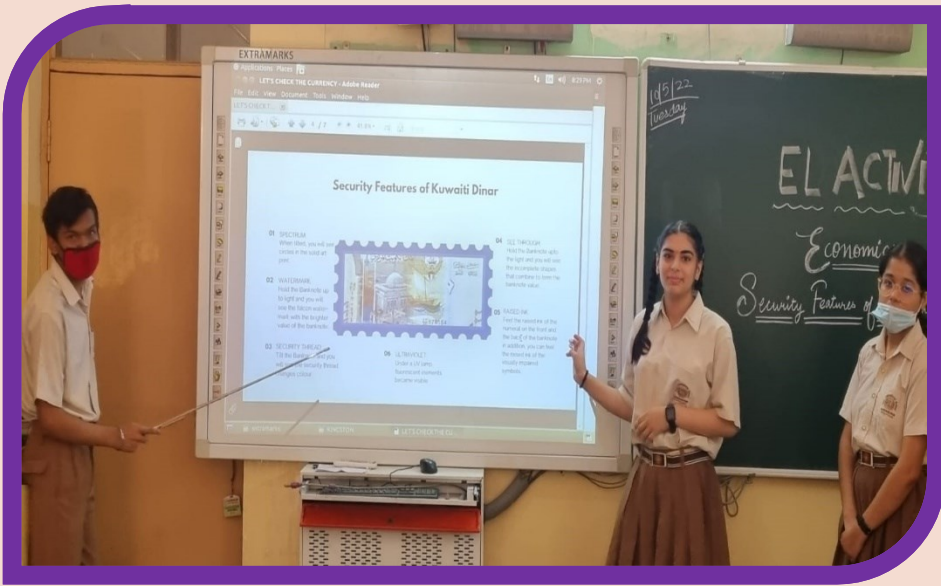

## CLASS- 12

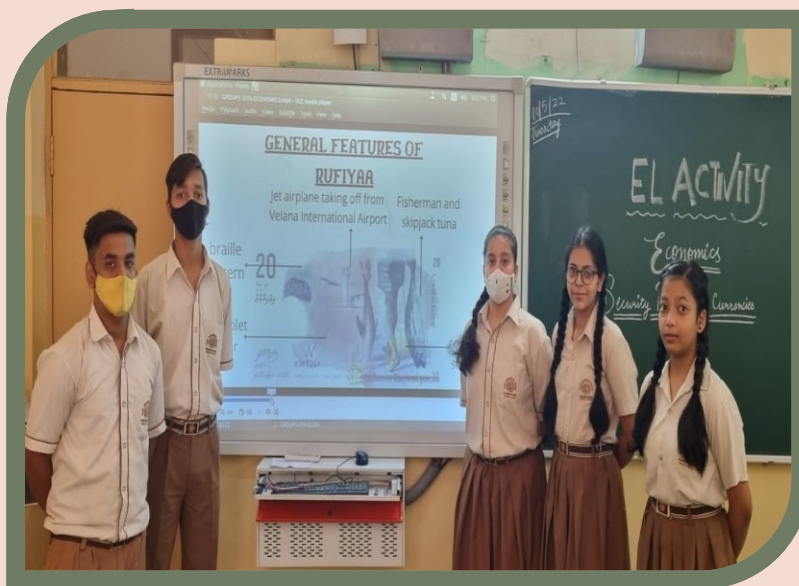

In English, *Argumentative Discussion* on the topic- *“Hobbies are a way of escapism”* was conducted in the classroom. Students were zealous to speak on this topic. Students accumulated wonderful ideas regarding hobbies fabulously. This activity provided opportunity of Public Speaking to the students which not only boosted their morale but also made them confident.

**In Economics**, the activity – “*Let’s know more about the Counterfeit currency*” was performed by our future economist in a very ingenious manner. Students presented their findings in a creative way. They chose denomination of different countries themselves & explained the security features of the coin and paper notes of different currencies. Some students performed Skit to make the other learners aware about the counterfeit currency. This activity focussed on inculcating the social and economic values among the students.

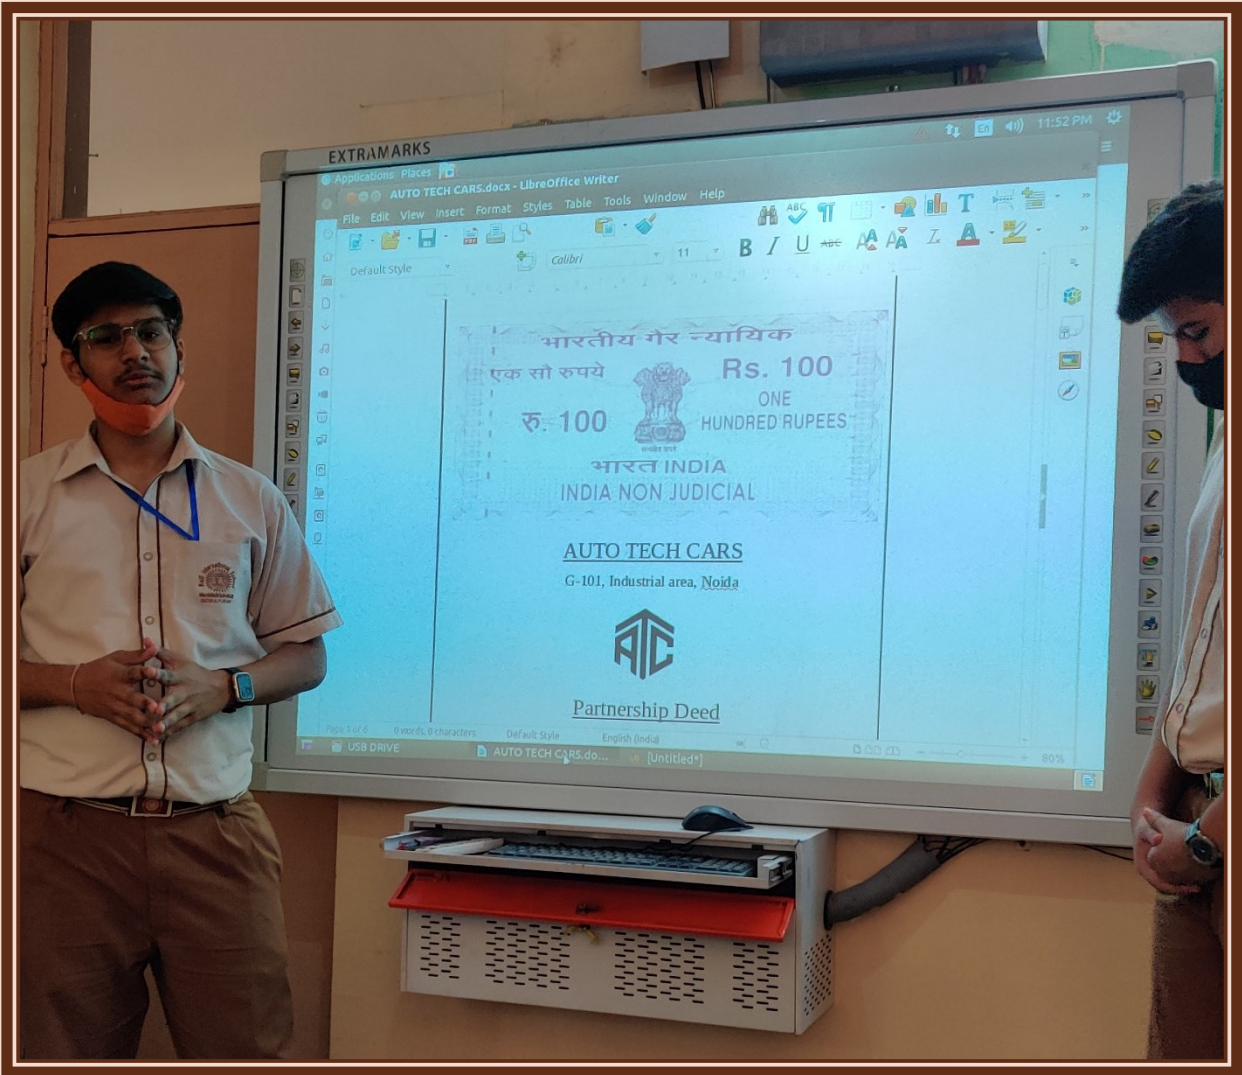

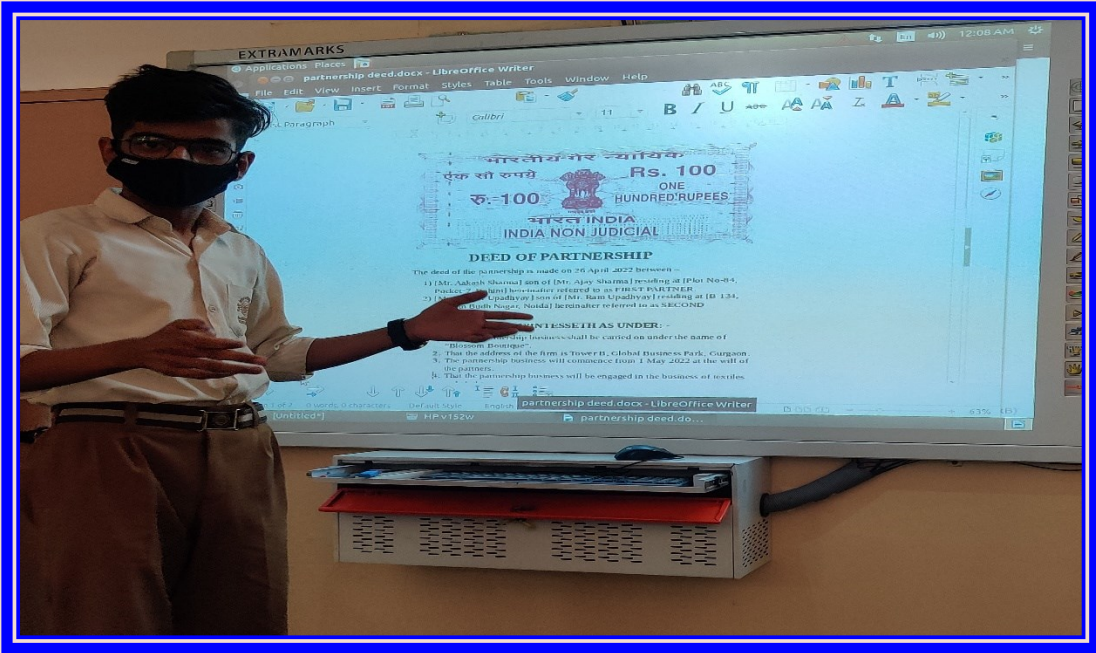

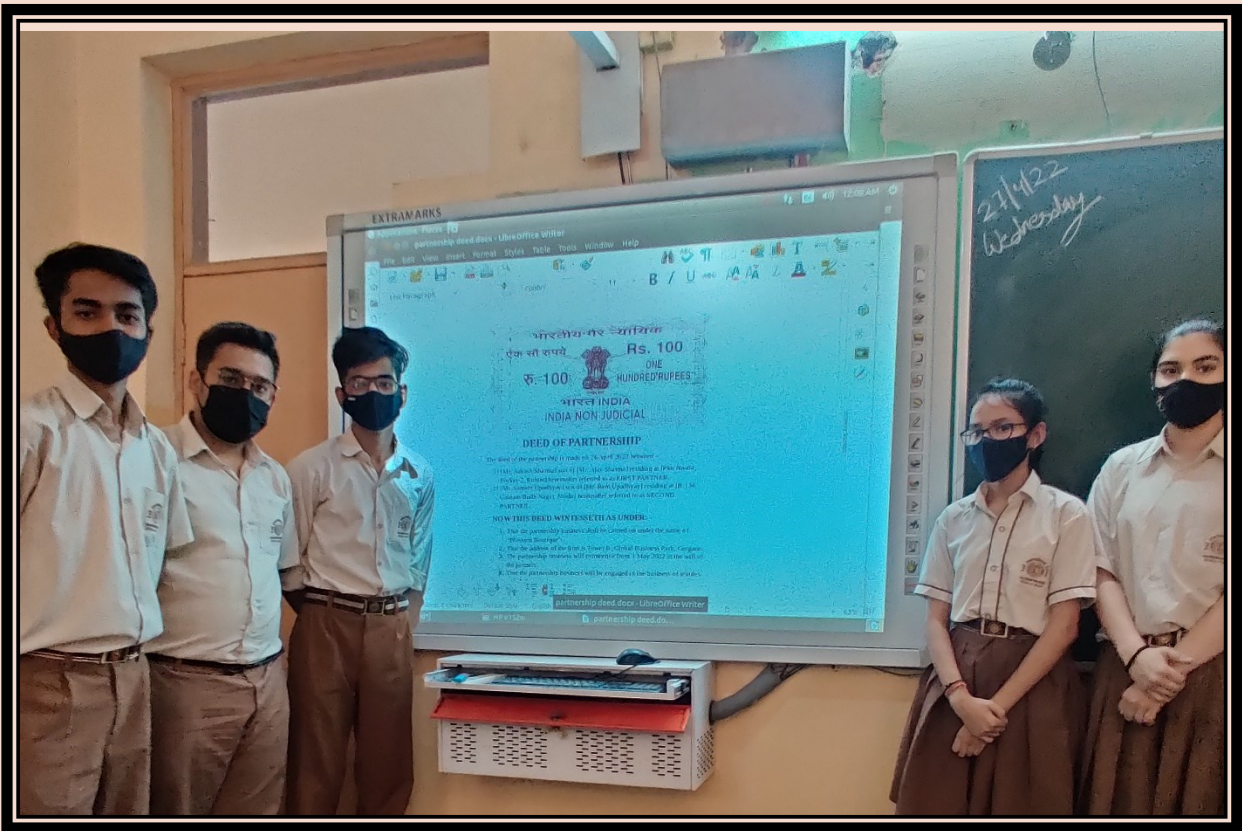

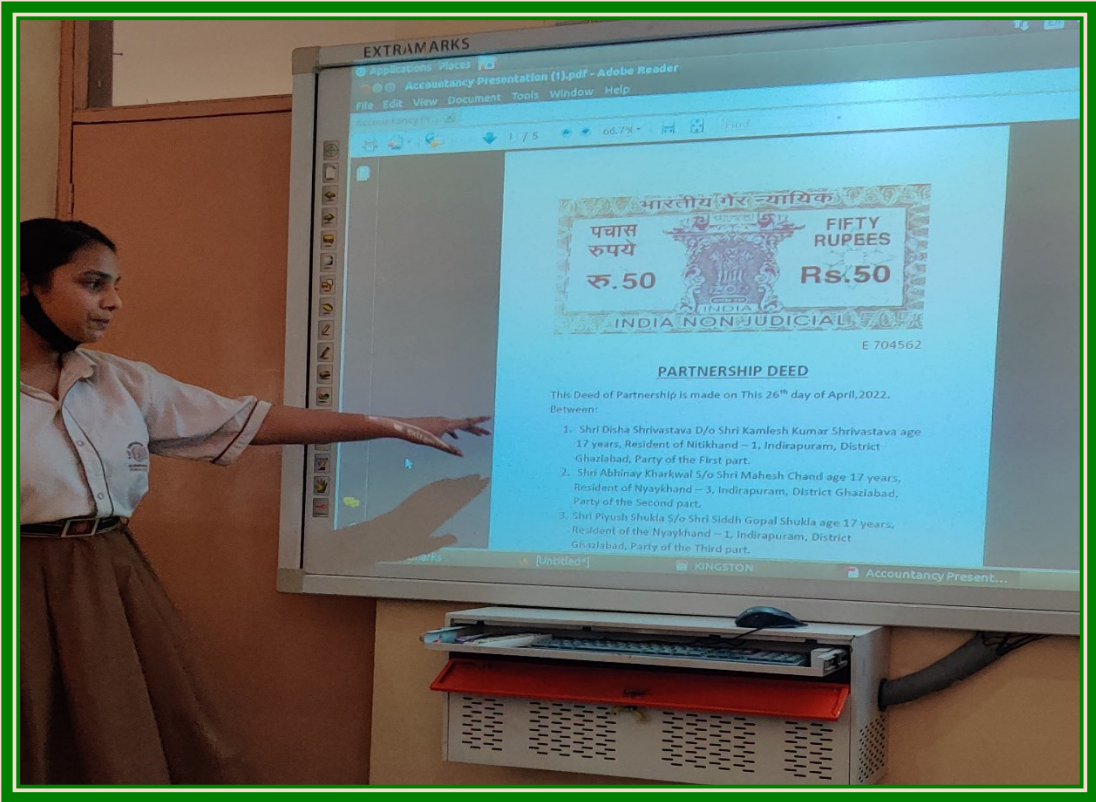

**A Group Activity- Partnership Deed was performed by the Commerce Students in Accountancy. Students had drafted the Partnership Deed keeping in mind the provision of Stamp Act and presented the same in the class. It provides them the real hand experience on provisions of deed and benefits of making deed in Partnership.**

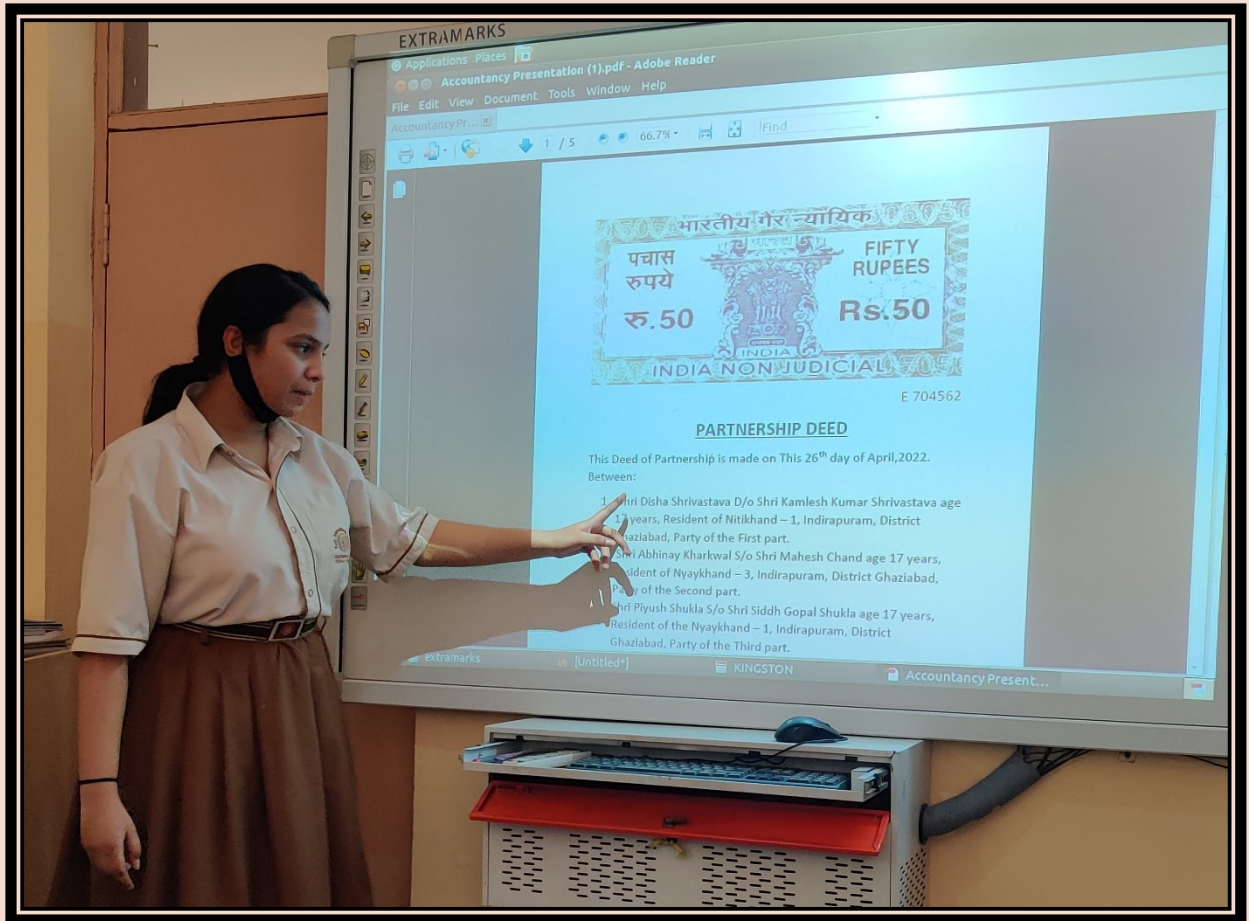

Our genius mathematician presented, explained and executed the properties of Matrix Operations with the help of Python Program. This activity not only sparked their mathematical skills but also inflated their technical areas.

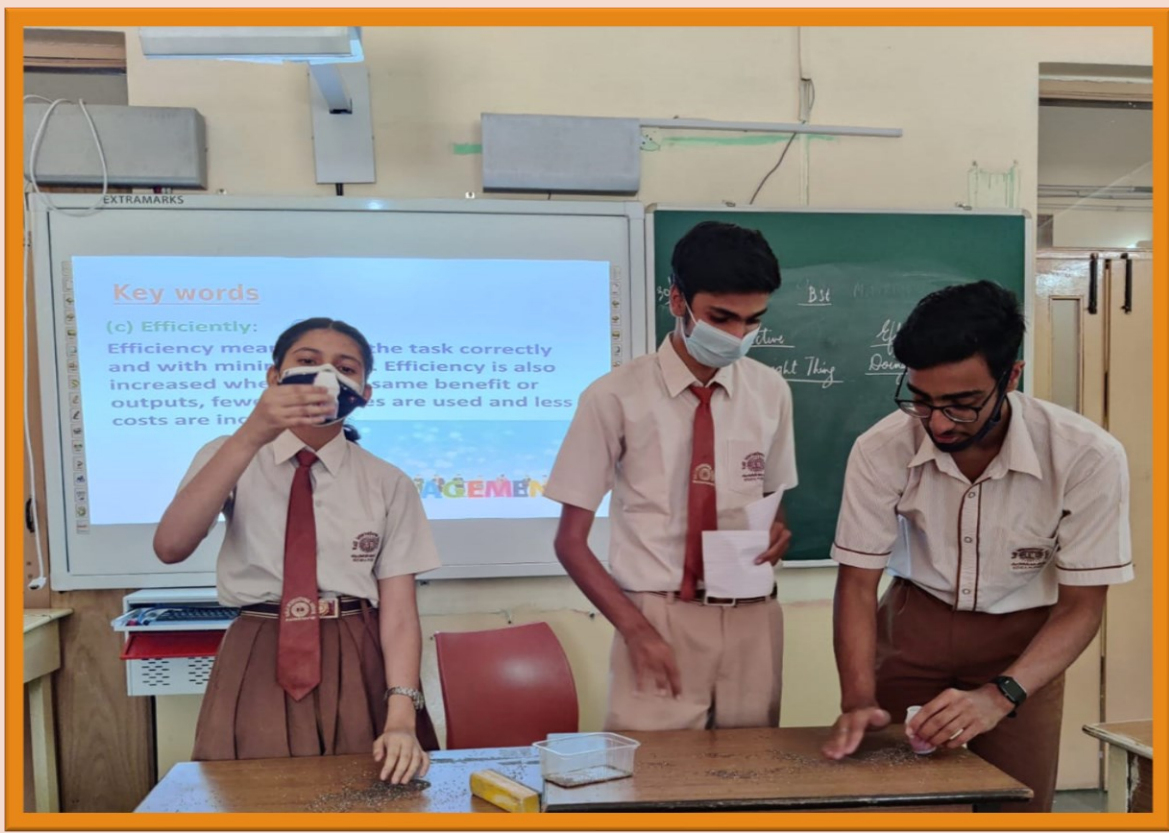

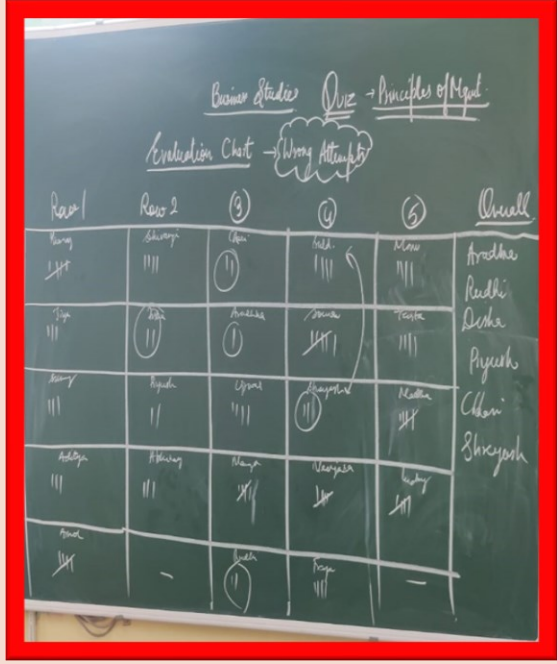

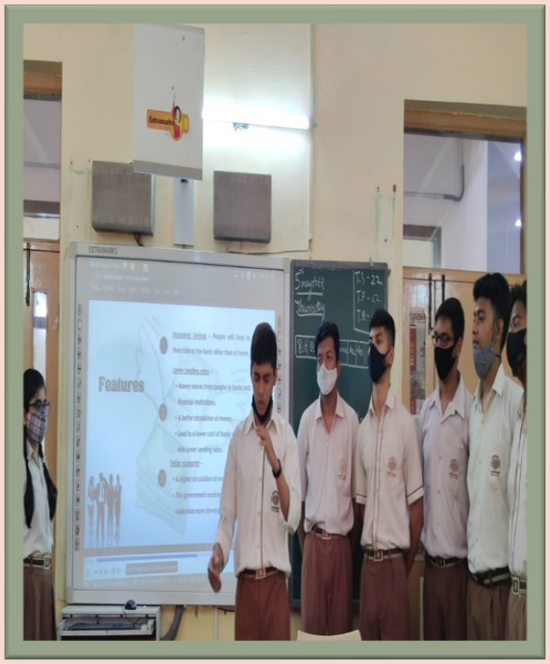

**Presentation of Demonetisation by the students in Business Studies was an awesome experience for them. Students explained and gave presentation on the concept and features of Demonetisation. Ice-breaking activity in the form of Quiz was also taken in**

the class. The presentation was done through Skit which gave an experiential learning to all the fellow students.

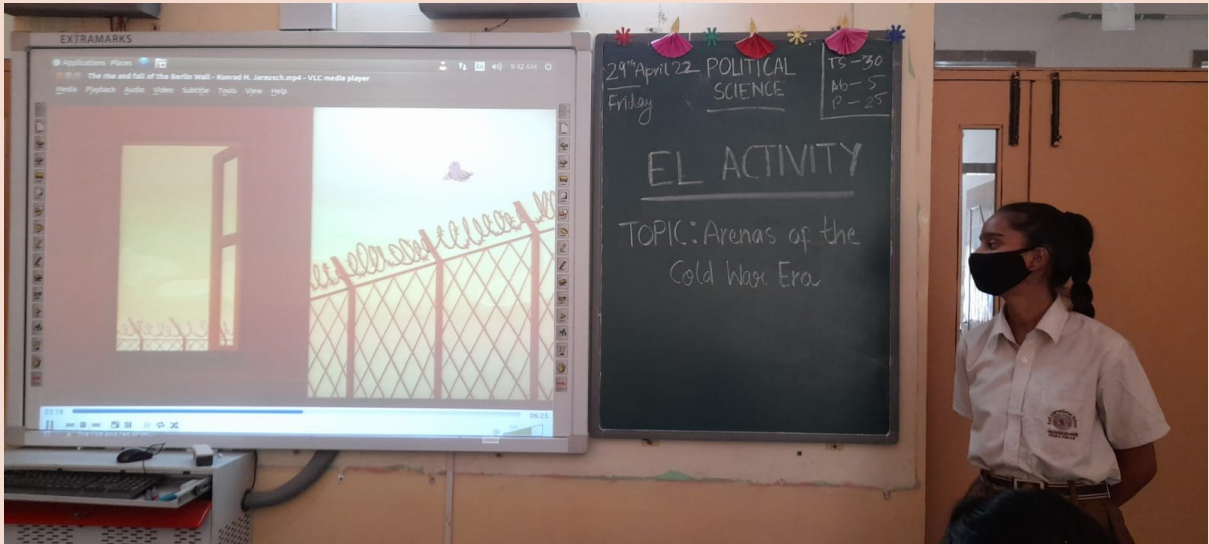

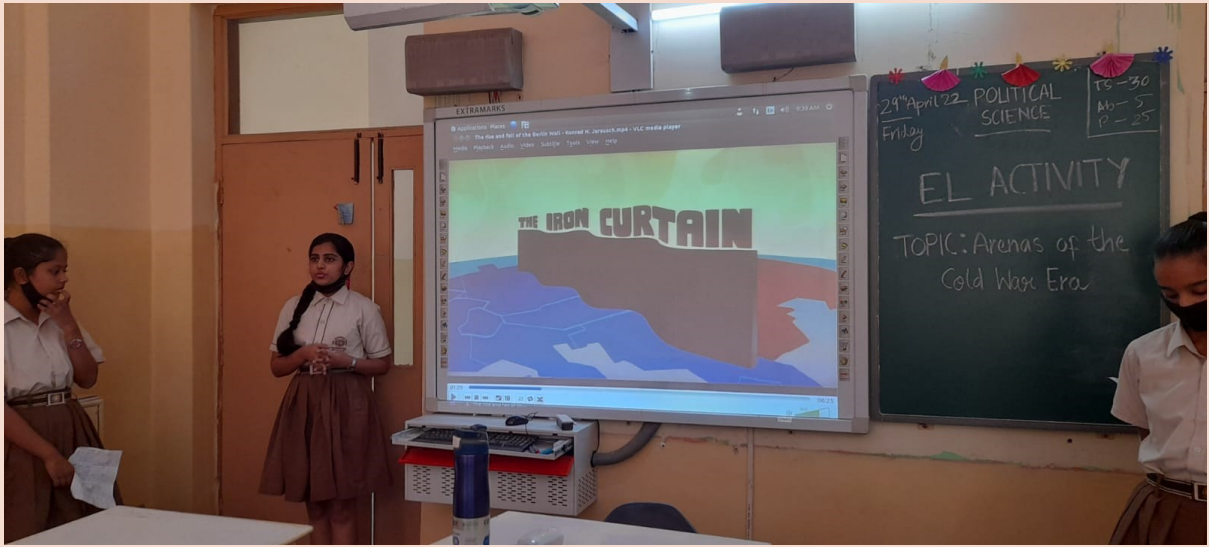

**Harappan Artefacts** was prepared by the students of grade 12. They came to know about the various features of Harappan artefacts. Students enjoyed and activity and recreated the structures that were observed by them in their books. The activity provided a 3-D touch to the students.

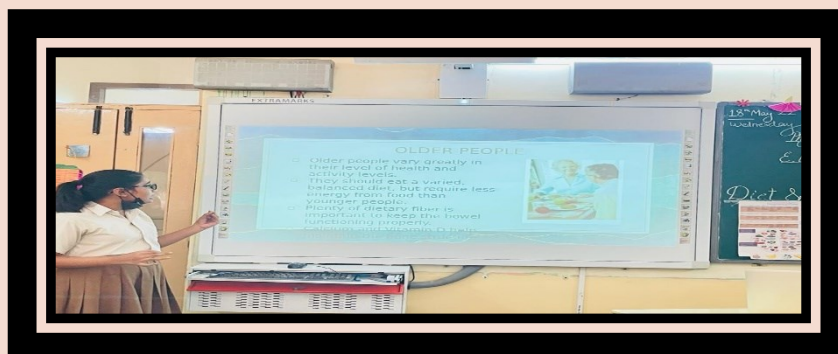

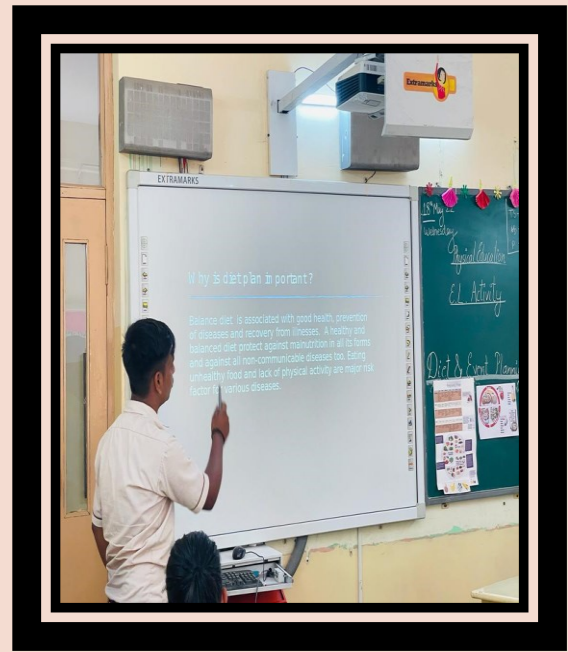

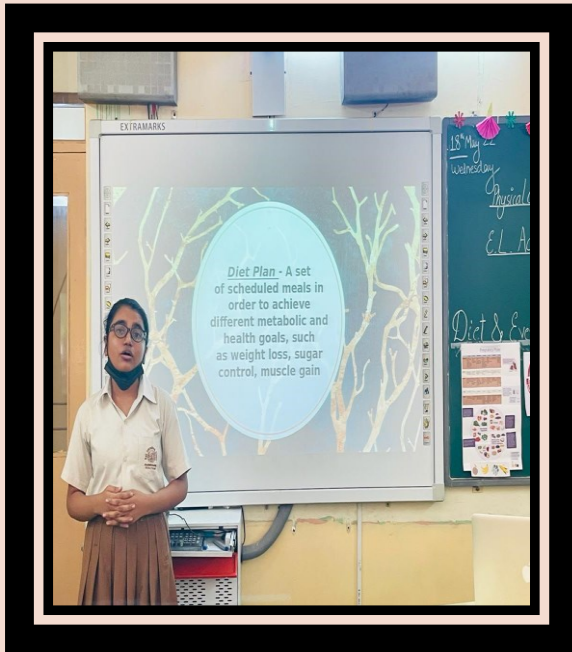

In Political Science, the students presented **Arenas of Cold War** in the form of PPT & Videos. They beautifully explained all incidents in detail with confidence. The detailed research was done by them on different arenas of Cold War like Afghan War, Cuban Missile Crisis, Korean War, Crisis & Unification of Germany, Congo War. They attained a lot of knowledge through this activity.

**Diet and Event Planning** was constructed by the students of class 12 in Physical Education. Students learnt that implementation of Diet and is more important than planning in a person's life.

*"Yoga is the journey of the self, through the self, to the self." -- The Bhagavad Gita*

The art of practicing Yoga helps in controlling one's mind, body and soul. It helps to manage stress and anxiety, promotes flexibility, muscle strength, physical and mental development. An array of activities was conducted in the school premises to celebrate 8th International Yoga Day.

 Yoga asanas were taught to the students through FIT India Mobile App. Students practiced Pranayam and Yoga through daily meditation on the daily basis.
