

GLIMPSES OF ACTIVITIES CONDUCTED IN THE MONTH OF JANUARY

Class – I

Activity: My Paper Plane

There are variety of means of transport but children are always fascinated by an aeroplane.

To encourage their creativity an activity of making their own plane was conducted in the class.

Activity : Tricolour Food

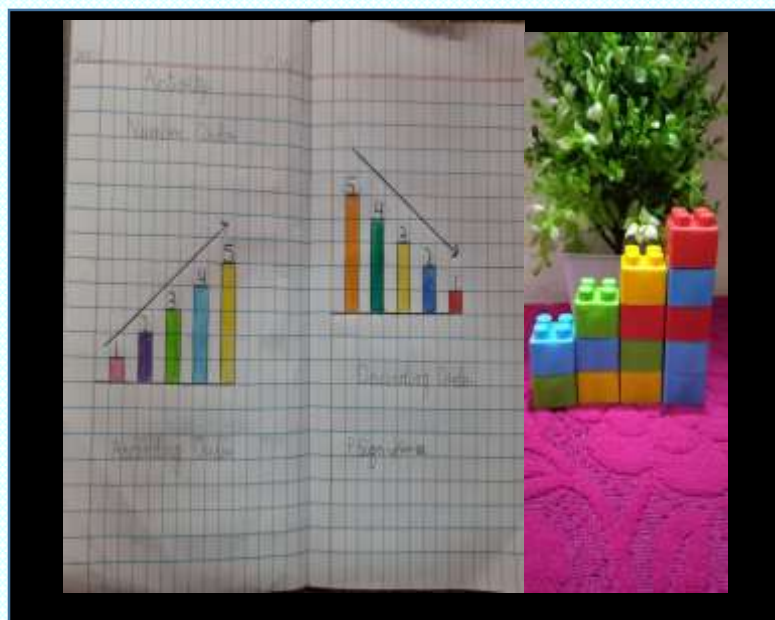

Republic Day is the day that fills patriotism in every Indian and so is the Tricolour Flag present everywhere.

To pay tribute to the Tiranga colours, children made creative Tricolour food recipes and learnt the skill of cooking as well.

Activity : Build The Order

Students understood the concept of ascending and descending order by drawing bars from smallest to greatest and greatest to smallest numbers respectively. It helped them to grasp the concepts in a pictorial way.

Class – II

Activity: Air Occupies Space

Air is all around us and has various properties.

To experience the same students performed an experiment using a bowl of water and a glass with cotton.

They observed that water was not able to enter the glass when it was inverted in the bowl due to the presence of air in the glass.

Activity: Money Purse:

Money is required by all of us to buy things and fulfill our needs.

To make the students understand its importance, they were encouraged to showcase their creative skills by making a money purse by paper folding and thus learning how to handle money safely.

गतिविधि : फलों की गाड़ी:

इस गतिविधि के अंतर्गत सभी विद्यार्थियों ने फलों के नाम सीखे। विद्यार्थियों ने पुस्तिका में फलों की गाड़ी बनाकर उसमें अपने पसंदीदा फलों के नाम लिखे और चित्र बनाए। इस गतिविधि द्वारा विद्यार्थियों की चित्र कला का विकास हुआ।

Class – III

Students of grade 3 prepared a colourful “*Punctuations Anchor Chart*” showcasing sentence constructions with the three punctuation marks i.e. *Comma, Question Mark & Exclamation Mark*. Children came out with excellent poster displays and brushed up their knowledge on Punctuations marks.

कक्षा तीन में जनवरी के माह में अनेकार्थक शब्द पर आधारित गतिविधि – ‘प्रश्नोत्तरी’ करवाई गई। ऑनलाइन कक्षा में दो-दो विद्यार्थियों का जोड़ा बनाया गया, जिसमें विद्यार्थियों ने अध्यापिका द्वारा पूछे गए अनेकार्थक शब्द के भिन्न अर्थ बताते हुए वाक्य रचना की। यह गतिविधि विद्यार्थियों के लिए रुचिपूर्ण रही तथा इस गतिविधि के द्वारा विद्यार्थियों की शब्दावली व वाचन कौशल का विकास हुआ।

Students played a fun game using the dice/virtual dice to tell the time to the nearest 5 minutes and then populated the details onto a table to depict the time in numeric and word form. They also performed another activity where they recorded the starting and ending time of any three activities performed by them during the day for example cycling, reading, playing etc. in two different ways along with the time shown on the clock drawn by them. Performing these activities students realized the importance of knowing how to tell time is an essential skill to know in real life.

Children of grade III participated in the creative activity of "*Origami Bird Making*" with a great zeal. Children listened to the instructions carefully and made the origami bird with great perfection.

They also wrote four characteristics of the bird which helps it to fly. It was indeed, quite knowledgeable for our students.

Classes – IV & V

English

An experiential learning activity on 'Prepositions' was conducted during the month of January for grades IV & V. The students were given a set of instructions.

Students drew a beautiful picture or scene on winter season following the instructions and spoke 5-6 lines to present their creativity in the class.

Children participated enthusiastically in the activity. Overall, they exhibited a great participative spirit and had a fun-filled learning experience too.

Hindi

कविता केवल साहित्य, कला और सौन्दर्य का विषय नहीं है, वरन भाषा सीखने में भी इसका खास महत्व है। कविता की लय और ताल में विद्यार्थी आनंद महसूस करते हैं और यह आनंद उन्हें कविता से जोड़ता है।

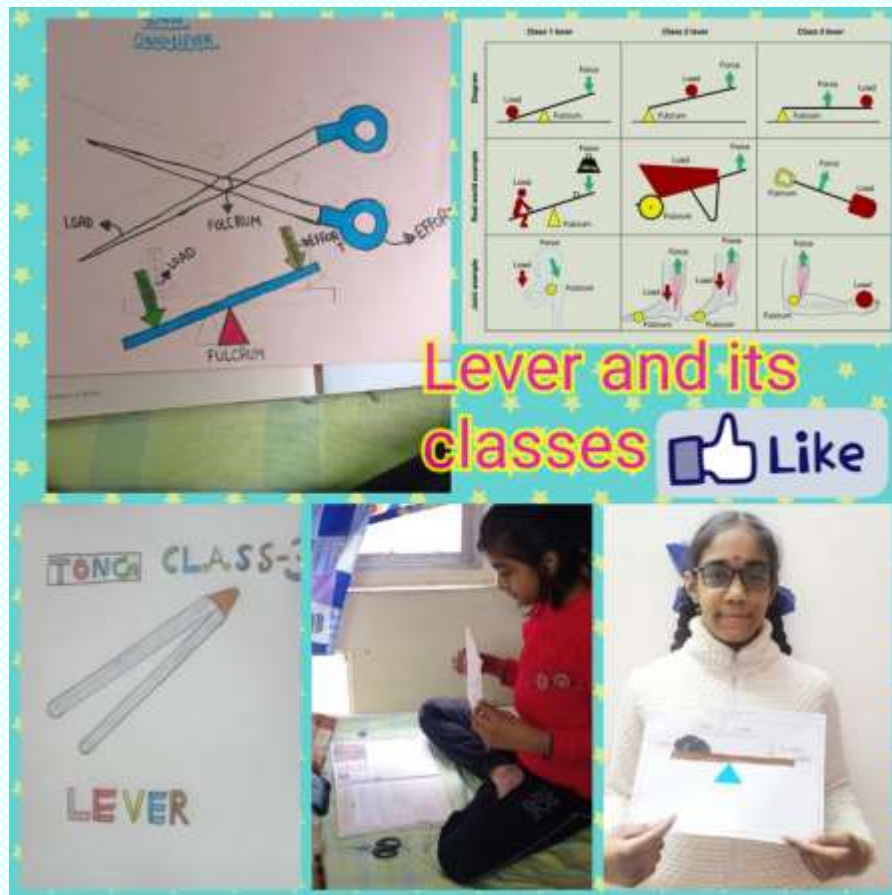

इसी उद्देश्य से दिसम्बर व जनवरी माह में कक्षा चार के सभी वर्गों में वाचन कौशल के अंतर्गत 'कविता वाचन' गतिविधि करवाई गई, जिसमें विद्यार्थियों ने दिए गए विषयों में एक से बढ़कर एक कविताएँ प्रस्तुत कीं। इस गतिविधि के द्वारा विद्यार्थियों की आत्मविश्वास, शब्दावली व मौखिक अभिव्यक्ति का विकास हुआ।

कक्षा पाँच के पाँचों वर्गों में अनुभव आधारित गतिविधि "क्रिया से बने गुब्बारों का गुच्छा" करवाई गई। विद्यार्थियों ने उत्साहपूर्वक इस गतिविधि में भाग लिया। इस गतिविधि में विद्यार्थियों ने रंगीन गुब्बारे बनाकर उसके ऊपर क्रिया के शब्दों को एक - एक गुब्बारे के ऊपर सुंदर लेख में लिखा। इस गतिविधि के द्वारा विद्यार्थियों की शब्दावली, मौखिक एवं लिखित अभिव्यक्ति का विकास हुआ।

EVS – I (Science)

Looking any celestial objects has always been a part of fascination and imagination. To witness the same, children of Grade IV have performed “Role play on various planets of their choice and presented amazing facts about the same.

We all are surrounded by so many simple machines that has been making our everyday work easier like knife, screwdriver, scissors, etc.

Students of grade 5 have tried to demonstrate one of the six types of simple machines i.e. lever using various simple objects found in our house.

Students have used ppts, flashcards and demonstrations using objects to display fulcrum, load and effort. Overall, the activity proved to be a hands-on interesting experience.

EVS – II (SST)

As a part of Subject Enrichment Activity, children of grades IV & V dressed up as a Indian social reformer / Leader / King / Queen (Raja Ram Mohan Rai, Rani Laxmi Bai, Subhash Chandra Bose, Mahatma Gandhi, Tantia Tope, Sucheta Kripalani, etc.) and spoke 10-12 about him or her.
