

RALLI INTERNATIONAL SCHOOL
SESSION: 2022-23
GLIMPSES OF EXPERIENTIAL LEARNING ACTIVITIES
JANUARY

CLASS: I

ENGLISH

A Visit to the Library

A school library is an integral component of the school system. It furnishes an opportunity to explore books. It is the nerve centre of academic learning and a wonderful place to spend leisure time as well. The kids

were quite excited to visit the library as it was their very first visit. They were guided about the rules and things to follow while being in the library. They enjoyed reading in the library.

हिंदी

ओ की मात्रा की गतिविधि - रंग बिरंगे शब्द जिसमें छात्रों ने पिचकारी का चित्र बनाकर उसके आसपास ओ मात्रा के शब्द लिखे और सजाए। इस गतिविधि के द्वारा छात्र ओ की मात्रा को और अच्छे से समझे और कई नए शब्द भी सीखे।

MATHS

BAR PLACEMENT- The activity was done to help children identify the order of numbers and correctly arrange them in ascending and descending order.

E.V.S.

TOPIC : REPUBLIC DAY

ACTIVITY: TRICOLOUR FOOD

Republic Day is celebrated on 26th January every year as our constitution came into effect on this day. To show that we are proud of our India and our Indian flag, students did an interesting activity in the class by decorating tricolour food items in the form of tricolour flag.

CLASS II

ENGLISH

Link up game on Conjunctions

Conjunctions are parts of speech that connect words, phrases, clauses, or sentences. In this activity teacher asked the students to frame sentences using and, or by showing two pictures.

Students tried to join the sentence son seeing the picture using a suitable conjunction. The students were helped to correct the students if they faced any problems. This activity helped the students to frame sentences using and, or.

हिंदी

टियरिंग एंड पेस्टिंग

पेड़ मानव जाति के लिए प्रकृति के तरफ से एक अनमोल उपहार हैं। पेड़ पृथ्वी की प्राकृतिक सुंदरता को बनाए रखने में मदद करते हैं और जानवरों, पक्षियों के प्राकृतिक आवास के रूप में कार्य करते हैं।

इस गतिविधि में सभी विद्यार्थियों ने अभ्यास पुस्तिका में पेड़ बनाए और उसमें टियरिंग एंड पेस्टिंग (tearing and pasting) कर पेड़ से मिलने वाले लाभ लिखे ।

MATHS

Money Purse

Money is the medium of exchange whenever we have to buy anything from the market. Every country has its own currency. In simple language, currency is money. It can be paper or coin. In India, we have the Indian rupee as our currency.

In this activity, children made a purse by paper folding. They came to know the importance of money in life and learnt how to handle and keep money safely.

EVS

My Pocket of Season

Every season plays a crucial role in maintaining the balance of nature. Learning about the seasons helps the children understand the passage of time and teaches them about change.

Students made 5 pockets to represent five seasons. They drew things related to particular season on pockets and framed a sentence related to that season.

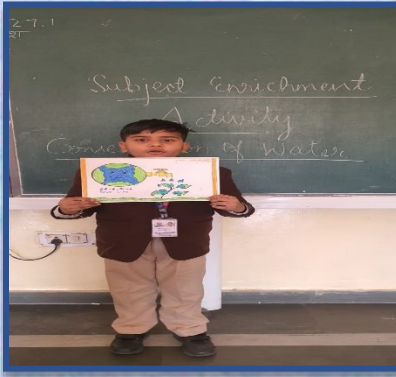

Class - III

Subject – English

“Picture Dictation- Preposition Activity!”

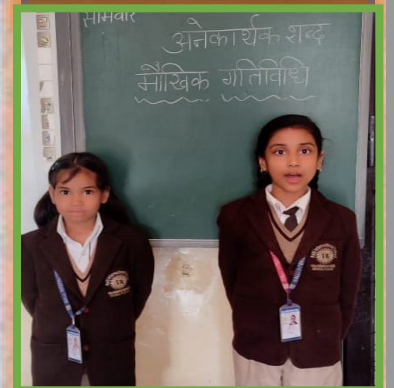

The students did a Preposition Dictation fun activity for the month. It was all about Dictation. Listen. Draw. The students had to draw as per the sentences spoken by the teacher, bearing in mind the preposition words used in the sentences. They were reminded to draw as big as there were lot of details. The output was amazingly, a good one! It helped the students to learn how to use prepositions of place correctly when they were describing a picture. This fantastic activity aided our young learners in basic sentence comprehension as well as practice with prepositions. Students had real fun with prepositions in an engaging and motivating way, indeed.

हिंदी गतिविधि रिपोर्ट (माह- जनवरी)

कुछ शब्दों के एक से अधिक अर्थ होते हैं, ऐसे शब्दों को **अनेकार्थक शब्द** कहते हैं।

मौखिक गतिविधियों द्वारा विद्यार्थी अपने मन के विचारों को दूसरों के समक्ष प्रस्तुत करता है तथा उसकी झिझक दूर होती है। इसी उद्देश्य से विद्यार्थियों को अनेकार्थक शब्द पर आधारित गतिविधि – ‘**मौखिक प्रश्नोत्तरी**’ करवाई गई। जिसमें दो-दो विद्यार्थियों का जोड़ा बनाया गया तथा विद्यार्थियों ने अध्यापिका द्वारा पूछे गए अनेकार्थक शब्द के भिन्न अर्थ बताते हुए वाक्य रचना की। यह गतिविधि विद्यार्थियों के लिए रुचिपूर्ण रही तथा इस गतिविधि के द्वारा विद्यार्थियों की शब्दावली व वाचन कौशल का विकास हुआ।

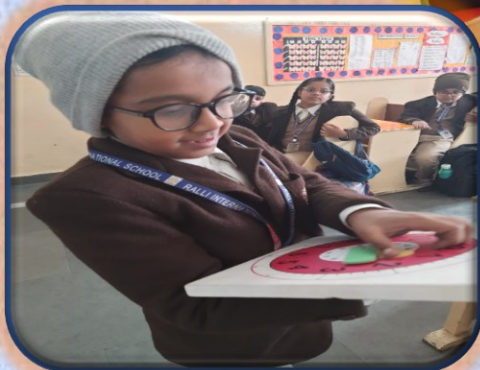

MATHEMATICS

TELLING THE TIME TO NEAREST 5

Mastering the mathematical skills can seem hard at first, but with hands-on practice, students strengthen their understanding. Learning how to tell time can help kids with their motor and cognitive skills as well as mathematical skills.

The fun hands –on activity was conducted in the class, to tell the time to nearest 5 minutes. Students played a fun game using the digit – cards and the clock model. The numbers on the 2 sets of digit cards (1-12) represented the hands of the clock. A group of 3 students from each row played the game together to make their team win. One student picked one card each from both the sets to tell the time in digits, the second child showed the time on the clock, third child said the time in words. This activity promoted team spirit as they applied their knowledge in a fun way to make their team win.

Performing these activities students realized the importance of knowing how to tell time is an essential skill in real life. It can help you determine whether you are running late or you have plenty of time to spare.

EVS

Activity: Save Water, Save Lives

Water scarcity today has become a big issue which if not dealt with in time, will turn out to be a hazard. To raise awareness about the importance of water a class activity was conducted during EVS period in which children made a poster or a collage on save water and spoke few lines on ways of conservation of water. Through this activity they learned how we can preserve water and how we can avoid wasting it. They discussed about usage of water and also gave advice on its conservation.

It motivated one and all. Students joined hand and took oath to use water properly and also motivate others to use it.

CLASS: IV

ENGLISH

LITERARY CALENDAR

Knowing an author's background is a must for any reader. It is because every writing piece comes out of the experiences, lives and influences of one's person. To bring this in habit of our young readers, an activity was conducted in which students marked the poets and authors born in the month of September. The 'Literary Calendar Activity' engaged the learners in research. They came with the list and presented the calendar in creative and colourful way. They even pasted pictures of the authors and the poets.

हिंदी

पर्यायवाची शब्दकोश

हिंदी साहित्य में पर्यायवाची शब्दों का विशेष स्थान है। वाक्यों को सुसज्जित, अलंकृत करने के लिए पर्यायवाची शब्दों का जगह-जगह प्रयोग देखने को मिल जाता है। जिस प्रकार आँख शब्द साधारण लगता है , वही नयन शब्द अलंकृत लगता है। ठीक इसी प्रकार अनेकों - अनेक शब्द हिंदी साहित्य में प्रयोग किए जाते हैं। विद्यार्थियों ने इस उपविषय पर आधारित गतिविधि 'पर्यायवाची शब्दकोश' में उत्साहपूर्वक भाग लिया ।

MATH

ACTIVITY USING NON-STANDARD UNITS OF MEASUREMENT

Students have understood the importance of standard units through this activity. They learnt to measure lengths using measuring tape and handspan. After doing this activity, they came to this conclusion that the measuring tape is a more reliable measuring device than handspan. All of them enjoyed and understood the concept well.

EVS- I

DEMONSTRATION OF SIMPLE MACHINE

Students were asked to make a model of any one simple machine from junk material of their choice and to demonstrate the same as an individual activity. Through this activity they understood the concept of a simple machine and its application.

EVS – II

WATER CONSERVATION

To prevent the scarcity of water we should conserve more and more water and prevent it for the next generations as well.

With the receding supply of fresh water and enhancing

demand for water, there is a need to conserve and manage water for sustainable development.

Understanding the scarcity and importance of water the students were encouraged to save water and to

suggest ways to bring down water consumption in the house. They made attractive posters on save water with catchy slogans. They came up with the most wonderful ideas and presented in the class. It will help them inspire to be more involved in efforts to save water.

COMPUTER SCIENCE

POWER POINT PRESENTATION:- LEISURE TIME

Students were asked to create presentation using MS-PPT on the topic Leisure Time insert pictures, format picture ,text style, WordArt. They used themes, templates for applying design on slide. Using F5(Slide Show) function Key, students have shown the PPT. Students designed the slides according to the instructions given using MS-PowerPoint Presentation 2016 in computer lab.

FRENCH

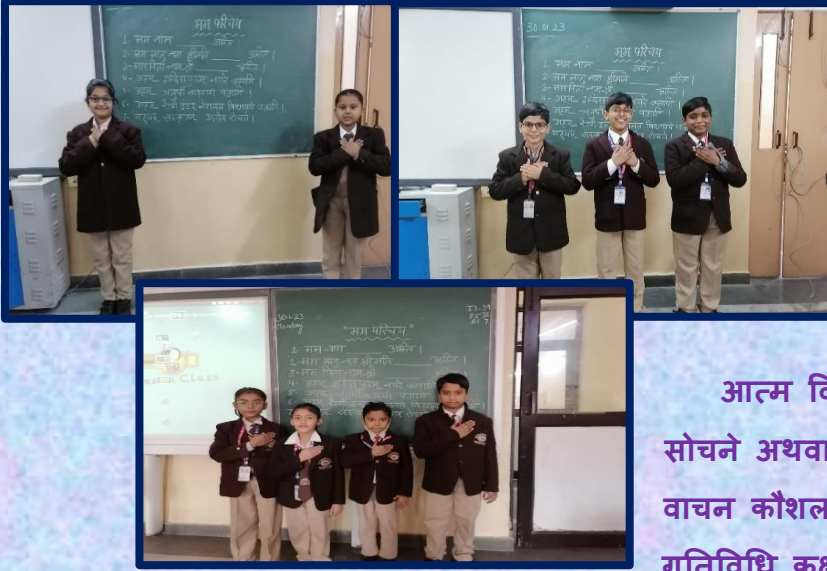

PRÉSENTEZ-VOUS

Students presented themselves in French using adjectives, verbs, pronouns, articles. They understood how to form small sentences. Students were excited as they were well prepared and spoke in French confidently

संस्कृत

मम परिचय

हमारे विद्यालय में प्राथमिक स्तर पर विषय संवर्धन गतिविधि (एकल गतिविधि) करवाई गई। जिसमें छात्रों ने उत्साह के साथ संस्कृत में अपना परिचय दिया। यह गतिविधि छात्रों के लिए उपयोगी एवं महत्वपूर्ण होती है। इससे सभी छात्रों में

आत्म विश्वास की वृद्धि होती है। छात्रों को स्वयं सोचने अथवा करने के लिए प्रेरित करती हैं। इससे उनके वाचन कौशल का विकास होता है। अनुभव पर आधारित गतिविधि कक्षा चतुर्थी के छात्रों को कक्षा में करवाई गई।

इसमें छात्रों ने संस्कृत में मम परिचय संचिका में लिखा। और अपना संस्कृत में उत्साहपूर्वक परिचय देकर अपने कौशलों का प्रदर्शन किया। इस गतिविधि में छात्रों का प्रयास प्रशंसनीय रहा।

CLASS -V

ENGLISH

An activity on Reported Speech was conducted during the month of January for class V. The students were asked to make six dialogue bubbles. They were given direct speech statements and were asked to change them into reported speech. The students loved to make dialogue bubbles with origami and they converted the direct speech perfectly into reported speech. It was a great learning experience.

हिंदी

अनेक शब्दों के लिए एक शब्द (रिपोर्ट)

अनुभव आधारित गतिविधि विद्यार्थियों को नए अनुभवों को तलाश करने, सीखने में रुचि पैदा करने तथा शब्दावली का विकास करने में सहायक होती हैं। इस गतिविधि के द्वारा विद्यार्थियों को स्थाई ज्ञान प्राप्त होता है। इसी उद्देश्य द्वारा कक्षा पाँच के पाँचों वर्गों में अनुभव आधारित गतिविधि **अनेक शब्दों के लिए एक शब्द** करवाई गई। विद्यार्थियों ने उत्साहपूर्वक इस गतिविधि में भाग लिया। इस गतिविधि में विद्यार्थियों ने ए-४ साइज़ पेपर पर तीन-तीन पॉकेट्स बनाकर उसके ऊपर अनेक शब्द व एक शब्द लिखे गए। विद्यार्थियों द्वारा बहुत सुंदर-सुंदर पॉकेट्स बनाए गए तथा उन पर अलग-अलग अनेक शब्दों के लिए एक शब्द लिखे। इस गतिविधि के द्वारा विद्यार्थियों की शब्दावली, मौखिक एवं लिखित अभिव्यक्ति का विकास हुआ।

MATH

MATHEMATICAL STORY BASED ON AREA AND PERIMETER

It has been found that experiential activities in mathematics help improve students' knowledge and understanding of math and active learning activities that reduce the burden on the curriculum. It was conducted during the regular class and completely guided by the teacher herself.

In this activity, Children will read a story and solved the problems based on it and observe that 3 rectangle with same area but different perimeter. All of them were able to perform the activity. The clarity of this concept will help them to understand the concept of area and perimeter by doing. It was a fun learning experience for both teachers and the students.

SCIENCE

STATES OF MATTER

Matter can be present in three states- solid, liquid and gas. Matters are made of tiny particles called molecules. The arrangement of molecules are different in solid, liquid and gas. Students showed the molecular arrangement of states of matter by using colourful paper bead. They had also written the properties of different states of matter.

EVS-II

FREEDOM FIGHTERS

The objective behind the role play is to make the students familiar with the heroes of the freedom struggle and the values and ideals they stood for.

The children enacted as a freedom fighter, social reformer or a leader. They dressed up like them and spoke about their contribution along with slogans and poems. They came across the lives of various freedom fighters of India who have influenced them and made them remember their sacrifices, strengths and determination to seek freedom for their nation.

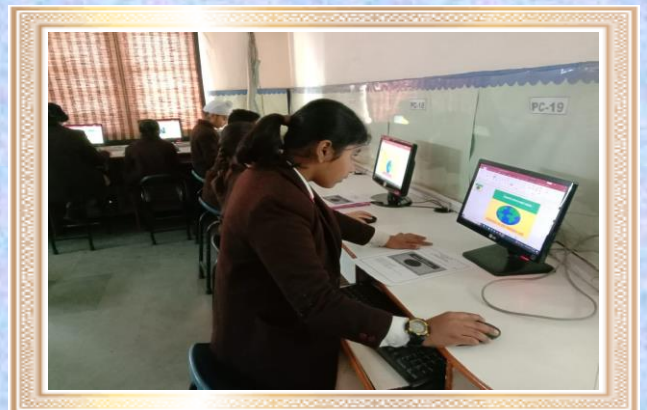

Students enthusiastically performed in the role play activity on their selected freedom fighter and narrations about their struggle. This was a great way to remember their leaders and respect them for their sacrifices, that will help them to grow into better human being.

COMPUTER SCIENCE

WORKING IN POWERPOINT

Students were asked to make a slide in PowerPoint. They used shapes, WordArt and design features to create slide. They also used online pictures option to add picture on the slide. Students created colourful slide in activity.

FRENCH

Décrivez une personnalité célèbre.

Students prepared few line on a famous personality.

They presented it very well. They used all the topic we did so far in grade 5 like verbs, articles, adjectives, adverbs etc. They made props too to enhanced their presentation. It enhanced the vocabulary, learnt how to form sentences. All were prepared and excited to present the activity.

संस्कृत

हमारे विद्यालय में प्राथमिक स्तर पर कक्षा पञ्चमी के छात्रों के लिए विषय संवर्धन गतिविधि (एकल गतिविधि) कक्षा में करवाई गई। यह गतिविधि छात्रों को अनेक प्रकार की धातु का ज्ञान करती है यह बौद्धिक विकास के लिए उपयोगी होती हैं। इससे छात्रों को मानसिक विकास के लिए अवसर प्राप्त होते हैं। छात्रों को स्वयं सोचने अथवा करने की प्रेरणा मिलती है। संस्कृत में समस्त छात्रों ने निम्न धातु रूप का चार्ट बनाकर व उसे कण्ठस्थ करके अध्यापिका द्वारा पूछे गए धातु

रूप कक्षा में सब के समक्ष अर्थ के साथ सुनाकर (मौखिक) अपनी प्रतिभा का प्रदर्शन किया। छात्रों ने इस गतिविधि में उत्साहपूर्वक भाग लिया तथा अपने कौशल का प्रदर्शन किया।
