

RALLI INTERNATIONAL SCHOOL

SESSION: 2021-22

REPORT ON EXPERIENTIAL LEARNING ACTIVITIES

OCTOBER

Experiential learning comprises of learning activities, both inside and outside the classroom that are designed to actively engage students to learn by doing, and then reflecting on the process as well as their experience. This helps in developing their own understanding.

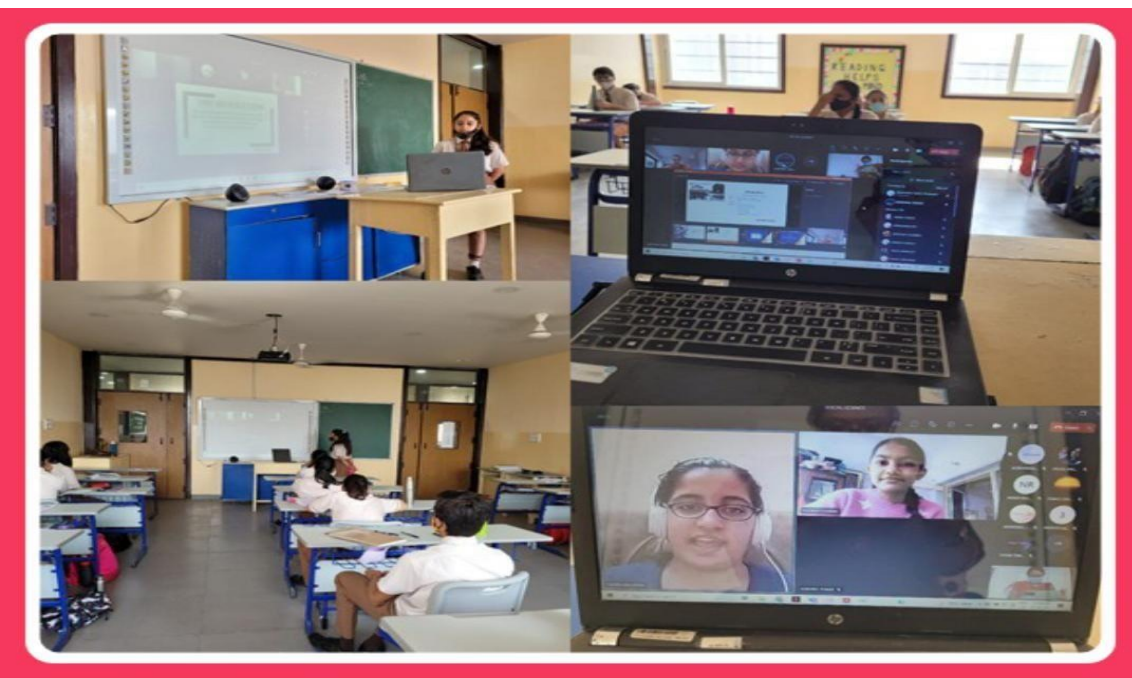

CLASS-9

A PAIR ACTIVITY- INTERVIEW was conducted to improve communication skill in English. Students drafted a conversation between a journalist and a victim of Tsunami. They were engaged intellectually, emotionally and socially during this activity.

In Hindi **SLOGAN WRITING** activity based on the topic 'Indian Independence Movement/ Freedom Fighters' was organized to enhance students' practical knowledge and helping them to understand how Art is integral to any subject. Students created slogans and presented them, which enhanced their Speaking and Creative Skills.

Role Play is an interesting and informative method of learning, which generates excitement among the students. A **ROLE PLAY/ SKIT** activity on the topic 'Ancient Regime and its crises' was organized for Social Science ,to help students learn about the era of the Socialism in Europe and Russian Revolution. They showcased their talent amazingly with the help of Video graphic presentation.

CLASS-11

BRAINSTORMING SESSION in Business - Studies was conducted on the Topic: Case for and Against Social responsibility of Business. Students prepared colourful PPTs and videos to enhance their presentations. They included real life examples of Reliance Foundation and various other companies to throw light upon the need for taking social responsibility by business groups towards society.

Students put forth strong arguments to justify their points for & against the motion. The Session was interactive and interesting.

DEBATE on the topic 'Scientific invention is necessary to unearth buried mysteries' helped students to hone their oratory skill. They participated in the activity enthusiastically and confidently expressed their opinion.
