Costumes	: Ms Nibedita Das; Activity In-charge
Coordination	: Entire RIS Family
Master of the Ceremony	: Ms Deepti Banerjee Ms Sangeeta Jaiswal Ms Vandana Sharma Ms Nitisha Mehrotra

Sports build good habits, confidence, and discipline. They make players into community leaders and teach them how to strive for a goal, handle mistakes, and cherish growth opportunities.

The much awaited annual event of Ralli International School, came up with a twist this year & acclaimed many appreciations & acknowledgements. This year it was the Annual Sports & Cultural Meet which made an astounding impact and was overwhelmingly delighted by the entire RIS Family & the audience.

The event took place on a bright winter afternoon on 30th November 2019 in Commonwealth Games Village, Sports Complex, near Akshardham Temple amidst gusto, ardour & zest. It was a frolicsome atmosphere as the field was decorated with flags, festoons and buntings. The initial preparations were keeping everyone engaged & the thrill to perform was visible on the faces of the young Rallians. Finally the moment arrived when event began with exuberance. The stands were filled, more than expected and apart from our dear audience the program was witnessed by the honourable dignitaries, the founder and the chairperson of the institute Mr. Surinder Kumar Ralli, our very graceful Principal Madam Mrs Neha Ralli, our very gregarious Managing Trustee Sir Mr. Siddharth Ralli and the chief guest of the meet Mr Ombir Singh; who is not only an eminent wrestler but also the winner of many prestigious National & International Awards. He has also bagged the esteemed Arjuna Award in the year 1990. All the dignitaries were welcomed by the lovely Rallians who presented them the planted pots to grace their presence.

The event commenced with the rendition of the school anthem presented by the school choir. It was an absolute piece of melody as the music, the voice & the rhythm produced by the instruments together was a harmonious demonstration. Approximately 1500 students; beginning from Pre Nursery to class XII students, participated in this meet, which had a combination of fun-filled track and field events.

The gathering was addressed by Chairperson Sir with great warmth & overwhelming words. He revived about the entire year's achievements of Ralli School and received an unstoppable applaud and positivity. Each one present there felt very privileged to be a part of such a great institute.

On this special occasion, the school magazine was released with an idea of making the audience; the parents more connected to the overall activities of the school. The dignitaries along with few grandparents present amongst the audience were invited to release it. It was a great moment for all and bagged a lot of applaud.

The Bagpiper Band leader was ready on the track by then, with the entire troop, dressed in their formal attire, holding their band instruments waiting for the Chairman's Sir Permission to begin. This formal

permission is a customary task & gained a lot of applaud from the audience. The Chairman Sir & the Chief Guest were invited to take the salute from the contingents. Our proud bagpiper band marched forward to pay tribute & salute in their very own musical style. Their distinctive musical beats and the rhythm were really a piece of charm at that moment and bagged a huge appreciation from the spectators.

This contingent was followed by the different House Troops headed by their leaders. First in row was the School Captain treading with full strength and zeal followed by School Vice-Captain following the beats & heading forward, further followed by the School's Sports Captain bearing the school's flag, marching ahead with full dignity & grace. First came in row was the Shakti House troop fluttering their red flag & showcasing their powerful efforts & walked ahead in a nice rhythm. Second in row were the students of Prerna House representing the colour of Sun and gave a message of motivation. Next came the students of Jagriti House keeping their flag upright & showcased proud & dedication & gave a message of awakening as the house name suggests. Last troop of the march past was of Ekta House who marched with zeal & elegance representing unity. All the contingents marched forward leaving behind the message of school's solidarity, integrity, unity and team spirit. Their performance had a very refreshing and very energizing effect.

All the contingents had a Motto in their minds & they fully honoured it.

March on. DO not tarry. To go forward is to move forward perfection.

The ground witnessed a great fervour of positive & enthusiastic spirit, blended with an uncanny excitement.

The Lighting of the Torch & the Oath taking Ceremony were held which was followed by the declaration of the 'Meet Open'. It was declared together by our Chairman Sir & the Chief Guest. This entire ritual brought an optimistic approach in the minds of the viewers & gave a message to one and all present there, that

May we win or lose, sports teaches us about life.

It teaches us the rules which build our character.

It was time for the field events to begin then. The audience & the other participants were anxiously waiting for the same. The Opening Dance was a drill showcasing the countdown & the various movements of a free bird, symbolizing the theme of the event Udaan. The girls flexibly moulded their bodies to present those formations. After that, the tiny tots of Pre Nursery & Nursery presented a Smiley Dance drill which brought a great delight to the audience. The students were holding a big prop of a smiling face & danced with full spirit.

The most awaited event of the day was the Yoga presentation. The biggest group amongst all; showcased various known, few unknown & difficult asanas. The flexibility, patience, synchronization together can create a marvelous presentation. The difficult pyramid formations bagged maximum appreciation. The students were trained to perform them & they did their best.

It was then time to begin the races for the Kindergarten students & the races were designed with intricacy to suit the interest of our toddlers. The parents along with each participant thoroughly enjoyed each race irrespective of the fact of winning or losing it.

Then the students came on the field to perform the Flower Dance holding big pink paper flower in their hands to dance on the amusing beats. This dance also had similar effect on the audience, when the parents were seen waving at the toddlers & swaying along with them.

It was now time to move on with the fields' events again & the students holding a big paper flower in their hands grabbed their places & the audience's attention, till the chirpy music ended. Any Sports Event will be incomplete without the Mass PT & thus the students were trained to perform well synchronized PT along with the fast hip hop music. This event also gained the viewers' attention & they applauded for their efforts.

Again it called for the Races for the students of Class I & II, where various races as per the children's capability & curiosity were arranged. It was clearly visible that more than the participants the parents seemed thrilled as they left the stands and were accumulated on the tracks to cheer their little ones. It was a great pleasure for the RIS family to provide that contentment to all the parents. We even did all efforts to include every kind of drill & dance to add relevance to the event. Next in row was a Lezium dance performance, a folk style from Maharashtra. The students stepped forward holding a Lezium in their hands & coordinated with the beats to showcase a beautiful drill. Another very much liked performance was the Saree drill where the students cordially showed a very gracious performance & they danced using the prop very effectively.

The races were arranged again for the students of classes III-IV. Again it was time to pay attention on the tracks & cheer the budding athletes. The winners were given medals & certificates immediately after the declaration of results of each race. It was a simultaneous activity & happened in a very systematic manner. Again the races were put to a hold as the group of Hoopla Dance Drill was ready to showcase their performance. The students very tactfully manipulated the dance steps moving with the hoops. This needed a technique which can only be imparted through regular training. This was again a very artistic performance & the audience appreciated them whole heartedly. Now the races for the students of Class V to VIII began with great exhilaration. The air was filled with cheering and tons of encouragement for the young athletes.

Each event was courteously presented & each presentation had its own importance. The Free Style Hip Hop Dance had a very special feature which not only caught the attention of each one present there but also they were found tapping their feet & clicking their fingers listening to their favourite track & witnessing the groovy moves. The moment it ended, the races for Classes IX-XII were announced. The grown-ups & the very excited senior students were seen on the tracks ready for the races & the relay & thrillingly they covered the tracks to reach the finish line. It was time for the finale performance. It seemed that not a single soul wanted the event to end. Finale Dance comprised of the elegant girls shaking on the beats & approaching the field with wings like a butterfly. The dance number was also an all-time favourite of everyone which not only brought turbulence but also a huge excitement for every one present there. Finally the prizes were declared. The Best March Past Trophy was awarded to the ShaktiHouse. Many new records were made that day & many were motivated to achieve them in future. The eagerness to win along with the passion & devotion towards the sport was very much significant on each participant's face.

The whole hearted participation towards the triumphant success of the event was truly admirable. The relentless efforts of each participant & the staff members were thoroughly appreciated by the audience. The event was finally brought to an end with the vote of thanks followed by the National Anthem.
