

RALLI INTERNATIONAL SCHOOL

CSIR-NPL JIGYASA INTERNSHIP PROGRAMME 2026

EXPLORING SCIENCE BEYOND THE CLASSROOM

Ralli International School takes pride in providing students with enriching opportunities like the CSIR-NPL JIGYASA Internship Programme 2026, where they gained valuable exposure to scientific research and advanced laboratories. Adding to this achievement, Kunal Singh Bhakuni of Class XII secured First Position in the Elocution Competition, bringing laurels to the school. Such experiences reflect Ralli's commitment to nurturing curiosity, excellence, and innovation beyond the classroom.

Student's testimonials

Mayank Sharma

My experience during the CSIR-NPL Jigyasa Internship Program was very informative and enriching. It gave me exposure to scientific research, laboratory practices, and advanced technologies. I enjoyed learning about the institute's instruments and ongoing research projects. Overall, the internship enhanced my understanding of science and inspired me to explore research further.

Ayush Raj

My internship at CSIR-National Physical Laboratory was a highly enriching and valuable learning experience. It gave me practical exposure to scientific research, laboratory techniques, and environmental and waste management studies. I also learned about advanced instruments, research methodologies, and sustainable waste management practices. Overall, the internship enhanced my technical understanding, problem-solving skills, and interest in scientific research.

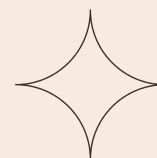

Kanakpriya Sutar

My internship at CSIR-NPL gave me valuable insight into the working of professional laboratories and the importance of precision in scientific research. It was a memorable learning experience that broadened my understanding of science. I am sincerely grateful to CSIR-NPL and Ralli International School for this wonderful opportunity.

Student's testimonials

Rudransh Negi

My internship at CSIR-NPL was a valuable learning experience that gave me insight into scientific research and laboratory work. It broadened my understanding of science and taught me the importance of precision. I am grateful to CSIR-NPL and Ralli International School for this wonderful opportunity.

Ashita

I would like to express my sincere gratitude to Ralli International School for providing me with the wonderful opportunity to visit CSIR-NPL and participate in the Jigyasa Program. It was an enriching experience that gave me valuable exposure to scientific research and advanced laboratory instruments. The program was highly informative, and I thoroughly enjoyed gaining new knowledge through the quiz and listening to diverse ideas during the elocution program.

"At Ralli International School, every opportunity becomes a platform for excellence, every experience inspires growth, and every achievement reflects the spirit of curiosity, discipline, and distinction."
